Helping you
access the care
you and your
family need

Our physicians, providers and staff are here to make a difference. We are a team consumed by a passion to set new standards of care and service, and we are deeply committed to making a difference in the lives of every patient we serve, one patient at a time. With more than 28 primary and specialty clinics throughout Mendocino and Lake Counties, our team works closely together to coordinate your care across a broad provider network. Together we are extending our mission to inspire health, healing and hope for all.
