

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium*) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to AdventistHealth.org/EmployeeHealthPlan or call 1-800-441-2524. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-441-2524 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	AH <u>providers</u> : no <u>deductible</u> . Non-AH PPO <u>providers</u> : \$500/enrollee. <u>Copayments</u> don't count toward <u>deductible</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Each enrollee must meet their own individual <u>deductible</u> and a separate <u>deductible</u> applies to each enrollee.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> , primary care office visits, hospital services, inpatient/outpatient mental health services and rehabilitation services, and certain other services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this plan?	Individual: \$5,400 (\$1,700 for medical benefits and \$3,700 for pharmacy benefits). Family: \$9,600 (\$5,100 for medical benefits, \$4,500 for pharmacy benefits).	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Your required <u>premiums*</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See AdventistHealth.org/EmployeeHealthPlan or call 1-800-441-2524 for a list of <u>network providers</u> .	You pay the least if you use an AH <u>provider</u> . If covered, you will pay more if you use a Non-AH PPO <u>provider</u> . If covered, you will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays (<u>balance-billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a referral. (But some specialists require <u>preauthorization</u> .)

* Please note that, because the plan is self-funded and not insured, the term "premiums" actually means your employee-share contribution.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
